

Implementation Science Workshop

Join us for the **Implementation Science (IS) Workshop** webinar on May 2, 2024, from **1 to 2:30 p.m. ET**, with **guest speaker Dr. Robin Urquhart**. Organized by OICR IS Co-Leads Drs. Christine Williams and Harriet Feilotter, this educational session for the Ontario translational research community is an opportunity to learn more about what implementation science is, how it can be applied to advance the adoption and integration of research into practice, and the appropriate methodology for conducting IS.

Dr. Robin Urquhart, is an esteemed Associate Professor at Dalhousie University, Canadian Cancer Society Chair in Population Cancer Research, and implementation scientist who leads groundbreaking initiatives that elevate cancer care standards and outcomes through IS.

Anyone interested in applying for upcoming OICR funding in IS is strongly encouraged to attend. An RFA will be released in early summer, with funding to start in 2025.
